

Dear Chanticleer Members,

While writing this letter there is still snow on the ground. The temperature has been in the teens. The good news is that the groundhog has predicted an early spring! Spring is a time that we at Chanticleer begin to think about our club. The fun of summer, swimming, gatherings and many family activities that our pool provides. We are anxiously looking forward to another wonderful summer. Spring is also the time when we ask our membership to think about the preseason clean up to get the pool ready for the summer. The more volunteers we have, the easier the workload for each of us. The work dates are Saturday's beginning, April 23, starting at 9 am. We will be holding additional dates during the week for those of you who cannot make Saturdays. Further information will be sent via email. Please remember this is your pool and we need your help to get it ready for summer.

The board is pleased to inform you that the membership dues will remain the same as last year. We have decided to once again offer a ten percent (10%) discount to those members who pay their dues by March 31, 2011. We will also keep the \$50.00 incentive for any member who brings in a new membership to the pool. Information concerning the incentive is enclosed with this mailing.

Please know that your board has been meeting monthly, throughout the year, addressing current issues (repairs, maintenance, activities, etc) to make our club the best it can be. We can always use members who are willing to help us in keeping our pool in tip top shape.

We will hold our annual general membership meeting at the end of June. The date will be sent to you via email.

We are very excited to have Jolene returning as our pool manager this summer. She is currently looking to staff our pool. If you are a returning guard or a new applicant, please email Jolene at [jjilson@yahoo.com](mailto:jjilson@yahoo.com) by April 15<sup>th</sup>. I have also listed the current board members and their contact numbers on the back of this letter. Feel free to contact us regarding your concerns, comments, and ideas.

We have included a CSC census in this mailing. Please fill out the information so that the board may plan activities throughout the summer that will fit the needs of our membership. Also listed on this form is a space to include an email address. We will continue to send information to our members through email. There is much to know throughout the summer and this is the best way to reach all of you quickly, so make sure to include yours!

Lastly, the board would like to thank Joe Daugherty (outgoing president) for his outstanding service to CSC. His true dedication and countless hours to our pool helped make CSC the wonderful swim club we all enjoy.

Sincerely,

Kate Colteryahn,  
Board President, Chanticleer Swim Club
